Together, there is no limit to what we can accomplish.

"Klays for Kids" is a fund raising event that is sponsored by "Log-A-Load for Kids" and the Forestry Association of SC. Over the past 25 years, "Klays for Kids" has raised **\$1.5 MILLION** for MUSC Children's Hospital!

"Log-A-Load" is a fundraising opportunity for loggers and other forest industry personnel in conjunction with forestry organizations and associations to raise money for their local Children's Miracle Network Hospital. Started in South Carolina in 1988, 'Log-A-Load for Kids' has grown into a nationwide campaign that has raised over \$48 million!

BRING YOUR HIGH SCHOOL STUDENTS: The Be Pro Be Proud Mobile Workshop will be at BWQC for this event – a custom-designed, 53-foot 18-wheeler featuring hands-on simulators for commercial driving, forklift and heavy equipment operation, and welding, plus VR experiences for construction trades and diesel tech.
